

Make Fundraising Fun!

Set a fundraising goal and go for it!

Tell people about your event and why you are involved. Talk about what the money will be used for.

Make copies of this form and ask friends and family to help you fundraise through their own contacts.

Show your personal commitment by sponsoring yourself first.

Albertans have access to the very best in cancer care. Check the Web site for additional information about the cancer research, prevention and treatment programs that our donors make possible.

Ask your employer about a matching gift.

Start collecting pledges early and keep your pledge form with you at all times.

Keep a copy of your completed form and remember to say thank you. Share your success and the outcome of the event.

Ask family members, friends, co-workers and people you do business with (like your hairdresser, pharmacist or drycleaner).

Everyday, we see how cancer patients and their families benefit from the research projects and special treatment programs that donors and volunteers like you make possible.

Thank you for making a difference!
